LOWVISION .com

"LowVision.com will ensure the success of both you and your patients" - Dr. Lynne Noon, President of LowVision.com

LowVision.com makes it easy for all eye care professionals to practice low vision rehabilitation whether it be on a full-time or part-time basis. We offer the following to save you both time and money:

- New to Low Vision Rehabilitation? With 15 years experience practicing low vision rehabilitation on a full time basis, Dr. Lynne Noon offers free start-up consultation and practice management advice.
- An easy-to-use e-commerce site that streamlines purchasing, saving valuable time.
- Excellent pricing on all of our products eliminating the need to "shop around".
- Our *Products for EyeCare Professionals* catalog is the one stop shop to find a large variety of low vision rehabilitation products from the worlds leading manufacturers.
- Our comprehensive *Daily Living Products* catalog will educate your patients and expand your business exponentially without additional inventory requirements.
- An interactive, user friendly website that informs and recommends solutions to your patients while allowing you to retain control of patient purchases.
- Downloadable practice management materials for quick and effortless start-up of your Low Vision Rehabilitation practice.
- Several on-line, interactive Low Vision Rehabilitation courses for you and your staff.
- Training, marketing, and sales support.
